FYI. Presumably the "mid January" thing is the 1/29 trip with the Colonel... (?)

Thanks. I'm cc'ing Jason Brush on this, given the reliance on Water for pre-brief (I understand that they are already working on this), the Friday calls, and setting up the mid-January meeting with Rosemont.

We'll try to get on Jared's calendar for Thursday. Carter will be in the office for the calls on 12/20 and 1/3, and can call in if there is a call on 12/27. I am scheduled to be on use or lose leave starting on 12/20, returning 1/6, but may come in or call in for the 12/20 call. I am also still trying to pull together the list of who's on deck that Susan Bromm requested. I just been in meetings all day.
